REMA® 75 YEARS HOISTING & LIFTING Work made easy.

EWL electric worm gear winches (NOT FOR LIFTING)

Product information

REMA®

Price/quality ratio of series Rema® EWL electric self locking worm gear winches is very fair; they are available in designs complying with various classifications and norms.

Properties

- Pulling force: 250 kg to 2800 kg.
- Drums run on bearings at both sides (from model EWL 1000).
- Steel base plate (from model EWL 1000).

Standard delivery

- Does not include steel wire rope.
- Does not include control pendant.
- Above 1000 kg overload limiter is required.

Option

- Steel wire rope.
- Control pendant included switch box.
- Overload limiter (above 1000 kg required).
- Maritime design on special order.
