

## SFA Endless Webbing Sling 25 mm

### Product information

This range of endless webbing slings is a practical tool for creating temporary anchor points. The sling can be wrapped around an object to establish an anchor point where a scaffold hook cannot be attached. It withstands repeated use.

#### Features

- Endless 25 mm webbing sling.
- To be used with connecting hardware 1725001 and 1725002.
