

System 50 RVS Stf 300 daN / LC 1500 daN

Product information

The System 50 RVS lashing strap is a load-securing strap with a robust RVS ratchet, STF 300 daN and LC 1500 daN. The low-stretch strap helps maintain tension during transport, reducing the need for re-tensioning. It is intended for cargo lashing only and must not be used for lifting.

Properties

- Robust, RVS-ratchet
- Minimal elongation in the belt reduces the chance of re-tensioning.
- Not suitable for lifting purposes.
- Stitched label for a longer product life.
- Supplied with a REMA manual packed in plastic.
