HOISTING & LIFTING

# HSU low profile lifting table

## Product information

For lifting heavy loads in the simplest possible way, then the low U stationary lifting table offers a solution because this table has a recess where a pallet truck can be placed. The extremely low lifting table prevents time-consuming construction efforts for the creation of a pit.

**Properties**

- Stable low bottom plate.
- Solid steel scissors.
- This lifting table is equipped with an aluminium safety frame.
- Support inspection for safe maintenance.
- Overload protection.
- Hose rupture safety valve.
- Hard chromed cylinder and piston rod.
- Lifetime lubricated bearings.
- External drive unit.
- Operating voltage 400V, control voltage 24V.
- Protection class IP54.

**Standard delivery**

- Incl 24 V remote control buttons and emergency stop.
- Demountable lifting eyes for easy transport.

**Marking:** According to standard, CE-marked
**Standard:** EN 12100, EN 13157
